

Media player/ Digital Frame Solution

Media Player is a complete stand alone all-in-one solution, highlighted by an innovative integration of an LCD display monitor with a full-function digital media player in an elegant yet heavy-duty construction chassis. These fully solid state and highly reliable products were primarily designed for resellers, dealers, and integrators offering Digital Signage solutions in today's modern and contemporary applications.

Features

- Auto and Loop playback seamlessly
- Auto Slide show with multiple transition effects
- Playback Video (MPEG1,2,4), Digital pictures (JPEG), or Digital Music (Mp3)
- All content can store in any of 6 types of Memory Card (CF/MD/SD/SM/MS/MMC)
- Stable and reliable appliance - shorter boot up time, virus proof
